Advantages of Publishing Tenders with Us

1. SUPERIOR APPROACH, MOST VISITED

Being a specific portal for Public Procurement Information, tenders published on Afghan Tenders get focused on national and international NGOs in Afghanistan. Tenders are also published in different sections of the portal and sent to relevant suppliers in the database. With the e-publishing of tenders on the rise, this tender's portal will help you secure tenders easily & fast.

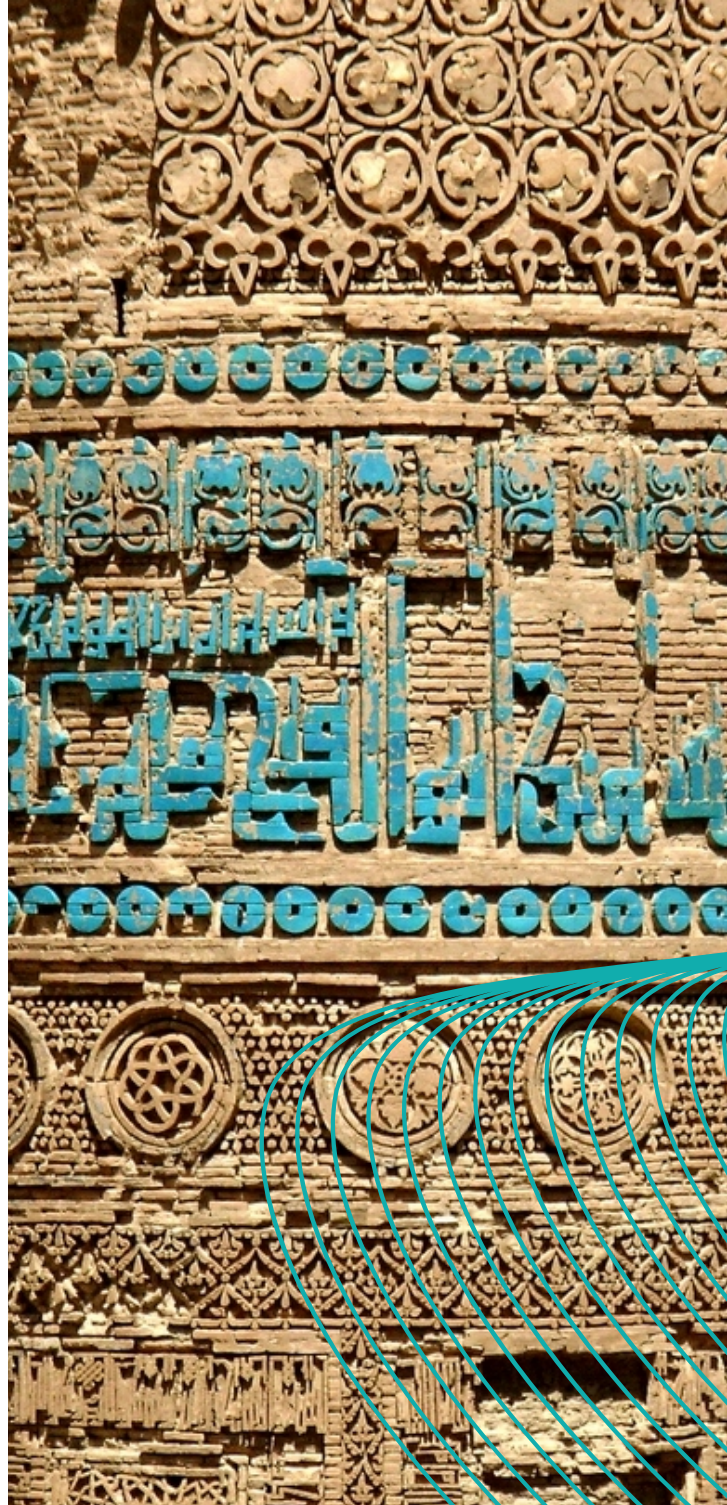

2. NO CHARGE AND FREE

Unlike newspaper publishing, tenders published on Afghan Tenders are very cost-effective. The best part is that you can advertise tenders free of cost for the advert to live till the deadline; unlike a Newspaper where life is one day and limited to one city.

3. INSTANTANEOUS GLOBAL REACH

Tenders are very time sensitive; hence you would like to give enough time to your bidders. No need to prepare the costly art work and no waiting period. Just one click of the mouse and your tender advertisement is published globally.

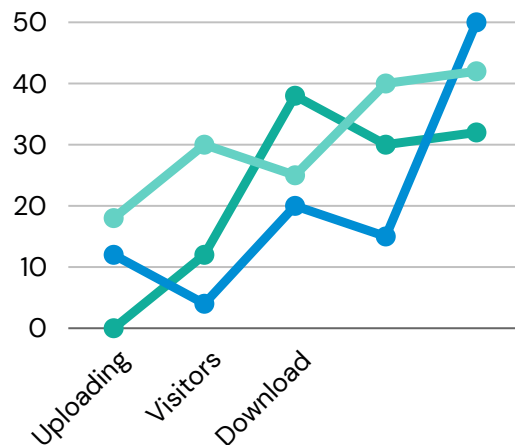

Expand your Business and Increase your Brand

WITH NATIONAL AND INTERNATIONAL ORGANIZATIONS AND AFGHANISTAN COMPANIES

Afghanistan Business Directory provides filters that improve the chances of your local prospects connecting with your business. You can enroll your dealership in local directories in your niche to enhance local visibility.

Increases Brand Awareness
 If a consumer is searching for a dealership in online directories, then the business details of dealers will show up, along with the store logo, name, and contact details. Even if the prospect does not click on your dealership, they will at least come across the logo and name, enhancing brand recall.

Other Benefit
 Online tender publishing is a proactive approach, unlike newspaper publishing which is a reactive approach. Facility to post Corrigendum/Addendum, no limitation on the size of the notice, and provision to upload soft copies of tender document RFQs and RFPs, etc. are the other benefits.
