7. Anticipated Award Type	<p>Blanket Purchase Agreement (BPA)</p> <p>An award resulting from this RFQ is anticipated to be a fixed price (BPA) blanket purchase agreement. BPA is a master ordering agreement that establishes unit prices for a category of goods that will be procured on a recurring basis over a fixed period. Individual release orders are issued against the BPA for specific quantities as needed. A BPA places a limit on the total dollar value, which may be procured within a specified period. A BPA does not commit or guarantee that the project will spend any amount under the agreement, but rather a simplified method of filling anticipated repetitive needs from qualified sources. Offerors are expected to include all costs, direct and indirect and delivery to AVCP Kabul and regional offices, into their total proposed unit prices and fix (guarantee) the prices over the stated period of performance, not to be adjusted unless the BPA is modified or the period of performance of the BPA expires, and a new BPA is in place.</p> <p>The anticipated specific terms and conditions are as follows: Payment will be made by bank wire transfer to the company's Bank Account, after complete supply and delivery to the specified location, and confirmation by the relevant AVCP staff member and partner. In accordance with this requirement, DAI shall withhold two percent (2%) tax from all gross invoices to Afghan subcontractors/vendors under this Agreement with active AISA or Ministry of Commerce license. For subcontractors/vendors without an active AISA or Ministry of Commerce license, DAI shall withhold seven percent (7%) "Contractor" taxes per current Afghanistan Tax Law. Before signing the purchase order, the vendor will provide a copy of the organization's AISA or Ministry of Commerce license and TIN (Tax Identification Number). Amounts deducted from the invoices will be forwarded to the Ministry of Finance (MoF) Tax Division credited to the firm's TIN. Records of payments to the MOF shall be maintained on file with DAI.</p>

Background:

Summary of Current U.S. Government Requirements - Unique Entity ID (SAM)

Effective April 4, 2022, entities doing business with the federal government will use the Unique Entity Identifier (SAM) created in SAM.gov. The Unique Entity ID (SAM) is a 12-character alphanumeric value managed, granted, and owned by the government. This allows the government to streamline the entity identification and validation process, making it easier and less burdensome for entities to do business with the federal government.

Entities are assigned an identifier during registration, or one can be requested at SAM.gov without needing to register. Ernst and Young provides the validation services for the U.S. Government. The information required for getting an Unique Entity ID (SAM) without registration is minimal. It only validates your organization's legal business name and address. It is a verification that your organization is what you say it is.

The Unique Entity ID (SAM) does not expire.

THE PROCESS FOR OBTAINING AN UNIQUE ENTITY ID IS OUTLINED BELOW:

1. Have the following information ready to request a Unique Entity ID (SAM)
 - a. Legal Business Name
 - b. Physical Address (including ZIP + 4)
 - c. SAM.gov account (this is a user account, not actual SAM.gov business registration).
 - i. **As a new user**, to get a SAM.gov account, go to www.sam.gov.
 1. Click "Sign In" on the upper right-hand corner.
 2. Click on "Create a User Account"

4. Click "DONE" on the confirmation page. You will receive an email confirming you have created a user account in SAM.

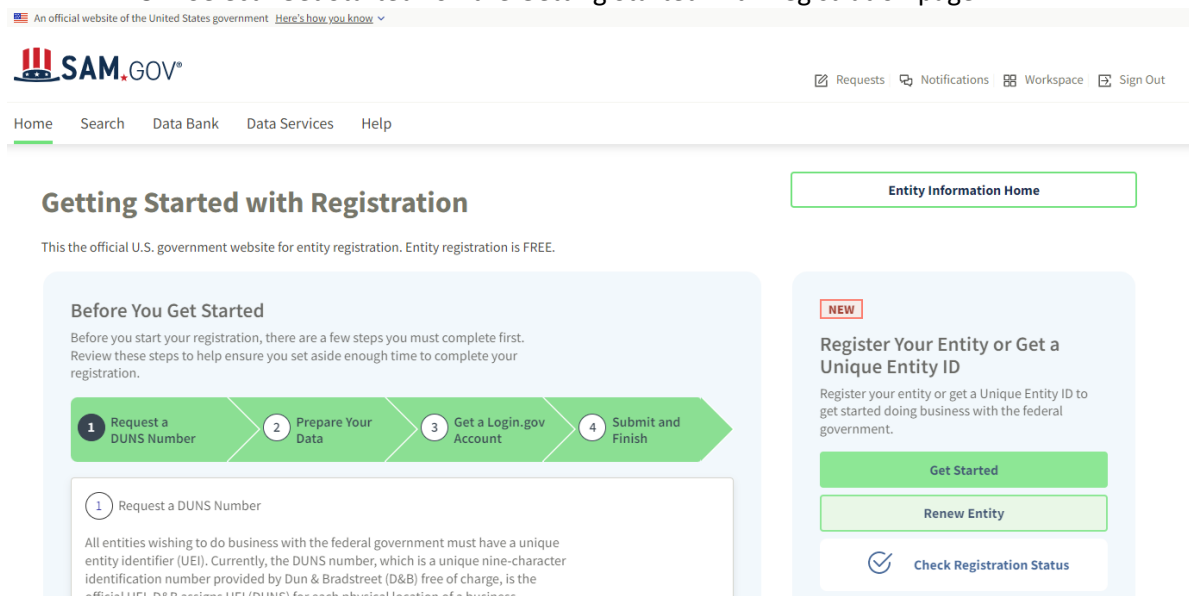

- Click the validation link in the email that contains the activation code within 48 hours to activate your user account. If the email link is not hyperlinked (i.e., underlined or appearing in a different color), please copy the validation link and paste it into the browser address bar. You can now register an entity.

Register Entity

An entity registration allows you to bid on government contracts and apply for federal assistance. As part of entity registration, we will assign you a Unique Entity ID (SAM).

Comprehensive and current entity information is an essential part of the federal award process. It is important to prepare your information and allow sufficient time to understand and accurately complete your registration. You only need to complete and manage it here to remain eligible for federal awards.

You must renew your registration every 365 days for it to remain active.

Register Entity

If you only conduct certain types of transactions, such as reporting as a sub-awardee, you may not need to complete an entity registration. Your entity may only need a Unique Entity Identifier.

You can get a Unique Entity ID (SAM) for your organization without having to complete a full entity registration.
