

Annex-1

Technical Specification

Kandahar provinces

Provision of hygiene kits for the Promotion of hygiene education and sanitation of the local community at Kandahar province.

Overall explanation of the project component

The requested hygiene kits must be properly prepacked and delivered by the supplier to targeted distribution area in Kandahar province as per the specified technical specifications below;

The contractor is responsible for packaging and labelling the below-mentioned items in which every package needs to contain a complete set of below-mentioned hygiene kits. The items will be checked by RSDO Technical Staff in the RSDO's main office in Herat province in a simple check process, which takes 3 whole Days to check the toolkits in terms of quality and quantity.
