Invitation for Bids

Annex 01

SART Equipment Purchasing year 2024					
S.#	Name if Item	unit	Quntatity	Description	pictures
1	Descender	pcs	8	<p>Anti-panic function, clamping cams block the rope if the user pulls too hard on the lever Safety lock reduces the risk of an accident due to incorrect installation of the device on the rope Locked position on the handle for positioning on the rope For 10-11.5mm Rope</p> <p>Note: 4-4 for each team</p>	
2	engine for boat 6.5 HP	pcs	2	<p>1. About the noise: all the gasoline machines are noisy, currently we did not test the decibel, but the noise is the same as the motorcycle, so it is a normal phenomenon 2. The machine itself is lightweight, it can use on boat weight of 100kg or less, load-bearing 4 people, but the speed is certainly not the same when one person on it or 4 people on it. Customers who have high expectations on speed, please be noticed 3. It can be marched with inflatable boats, rubber boats or fishing boats 4. Necessary: you have to prepare a boat-motor stand or hanging board on your boat</p>	
3	Tracker (Transceiver) Becon	pcs	10	Far avalanche rescue for ISH and SHG team we have just tow tracker in our stock	
4	Dry suit	pcs	6	<p>Chemical resistant polyurethane inside and out Interior and exterior tape welded seams Tear and puncture resistant nylon core Comfort boots with 7mm neoprene liner Permanently attached dry glove rings with replaceable Polytex wrist seals Contaminated water dual exhaust valve & standard inlet inflation valve Attached Polytex hood and neckseal Easy to clean and decontaminate inside and out Includes hood liner, internal suspenders, inflator hose, 2 hazmat patches, 4 adhesive strips and a drysuit bag</p>	
5	Avalanche SART Coat	pcs	10	<p>Technical Features Waterproof Windproof Breathable Lightweight Durable Construction Laminated high-strength hanger loop Micro-seam allowance (1.6 mm) reduces bulk and weight Taped seams for added weatherproofness Patterning Anatomical shaping for fit and comfort Articulated elbows e3D Ergonomic 3-Dimensional patterning for enhanced comfort and mobility No-lift gusseted underarm</p>	
6	Avalanche boots	pcs	10	A flagship ski boot in the La Sportiva line, the Skorpius CR II is touted to offer performance for demanding ascents and descents. In this article, we connect with the Director of R&D at La Sportiva, Matteo Jellici, for a deeper look at the design and tech of the boot
