Goods offered shall be reviewed based on completeness and compliance of the quotation with the minimum specifications described above and any other annexes providing details of RSDO requirements.

The quotation that complies with all of the specifications, requirements and offers the lowest price, as well as all other evaluation criteria indicated, shall be selected. Any offer that does not meet the requirements shall be rejected.

Any discrepancy between the unit price and the total price (obtained by multiplying the unit price and quantity) shall be arithmetically corrected by RSDO. The unit price shall prevail and the total price shall be corrected. If the supplier does not accept the final price based on RSDO's arithmetical correction of errors, its quotation will be rejected.

At any time during the validity of the quotation, no price variation due to escalation, inflation, fluctuation in exchange rates, or any other market factors shall be accepted by RSDO after it has received the quotation. At the time of award of Contract or Purchase Order, RSDO reserves the right to vary (increase or decrease) the quantity of services and/or goods, by up to a maximum twenty five per cent (25%) of the total offer, without any change in the unit price or other terms and conditions.

Any Purchase Order that will be issued as a result of this RFQ shall be subject to the General Terms and Conditions attached hereto.

RSDO is not bound to accept any quotation, nor award a contract/Purchase Order, nor be responsible for any costs associated with a Supplier's preparation and submission of a quotation, regardless of the outcome or the manner of conducting the selection process.

RSDO encourages every prospective Vendor to avoid and prevent conflicts of interest, by disclosing to RSDO if you, or any of your affiliates or personnel, were involved in the preparation of the requirements, design, specifications, cost estimates, and other information used in this RFQ.

RSDO implements a zero tolerance on fraud and other proscribed practices, and is committed to identifying and addressing all such acts and practices against RSDO, as well as third parties involved in RSDO activities. RSDO expects its suppliers to adhere to the RSDO Supplier Code of Conduct.

Thank you and we look forward to receiving your quotation.

Sincerely yours,
