

## Confirmation of Compliance

We / I, .....hereby confirm that we have received, read and understood the following documents:

1. RSDO Code of Conduct for Contractors
2. RSDO General terms and Conditions for (Supply) Contracts
3. RSDO Declaration for Candidates, Tenderers, or Suppliers

We hereby acknowledge and accept that we have to comply with and follow the above-mentioned policies and confirm our adherence to the principles outlined in the policies and declaration regarding confidentiality and impartiality. We declare that we shall carry out our duties to comply with the above-mentioned ethical principles and standards. We are also fully aware, that any violation or non-compliance of the policies and standards will lead to the termination of any awarded contracts and/or remedial actions.

We understand that the above-mentioned policies and standards will be part of any contract that we might sign with the Contracting Authority.

We / I hereby declare that we agree to the Contracting Authority processing personal data in the context of the procurement process and any contractual agreements that might result out of it. According to article 15 GDPR (General Data Protection Regulation), you have the right to request disclosure of all personal data, that the Contracting Authority processes and stores at any time. According to article 17 GDPR you have the right to request the revision or deletion of personal data. Any such requests or the revocation of this declaration need to be addressed to the Contracting Authority in writing.
