1.5 Attachment F: Instructions for Obtaining a Unique Entity ID (SAM) Number

Transitioning from DUNS to SAM for Grantees/Subs

Quick Reference Guide

What is happening?

On April 4, 2022, the US Government will transition from using the DUNS number as a unique identifier for entities to using a Unique Entity ID (SAM) generated in SAM.gov.

For more about why the change is being made, visit the [GSA website](#).

There is a mandatory requirement for your organization to provide a UEI (SAM) to DAI so that DAI can comply with its reporting requirements to the US Government.

DUNS Unique Entity ID	Registration Status	Expiration Date
066781956	Active	Jan 31, 2023

SAM Unique Entity ID	Purpose of Registration
JKMEFSQVJK24	All Awards

CAGE/NCAGE: 9G431

Physical Address:
7600 Wisconsin AVE STE 200
Bethesda, Maryland
20814-3664, United States

*The DUNS number is currently the official Unique Entity ID

Why does my organization need a UEI (SAM)?

DAI is required to collect UEI (SAM) from all entities to which it has issued POs/Subcontracts of \$30,000 or greater or grants of \$25,000 or greater (not including in-kind). All organizations that are issued POs/Subs or grants exceeding these thresholds must provide a UEI (SAM).

Note: Any future US Government procurements or grants that exceed the thresholds will require organizations to have a UEI (SAM). By getting a UEI (SAM) now, you will also save your organization time in the future.

What does my organization need to get a UEI (SAM)?

To get a UEI (SAM) before April 4, entities can request an ID at SAM.gov by providing:

- DUNS Number (request one for free from [fedgov.dnb.com/webform](https://www.fedgov.dnb.com/webform) if you do not have one)
- Legal Business Name (must match DUNS registration)
- Physical Address

To get a UEI (SAM) on/after April 4, entities can request an ID at SAM.gov by providing:

- Legal Business Name
- Physical Address

If your entity is already registered in SAM.gov a UEI (SAM) will automatically be assigned and can be found in the Entity Management widget. This is most likely to apply to organizations that frequently contract with the US government.

The Unique Entity ID (SAM) is FREE to all organizations and does not expire.

How does my organization get a UEI (SAM)?

For more information, review [this video](#) from the US Government (Link: https://www.youtube.com/watch?v=4Hqs_LOB5kl) or follow the instructions provided below:

No, the SAM is free for all entities.

What is the SAM used for?

Like the DUNS, the SAM will be used for tracking entities through the US Government's Integrated Award Environment (SAM.gov, CPARs, FSRS, FAPIIS, etc.) and is used by DAI for our required reporting (FFATA, Small Biz, etc.).

[REDACTED] UNITED STATES

Your entity does not have a DUNS Number and today's date is **before April 4, 2022**

Before April 4, 2022, the DUNS Number issued by Dun & Bradstreet is the authoritative entity identifier used by the federal government. You need to get a DUNS Number first before you can request a Unique Entity ID (SAM).

Go to fedgov.dnb.com/webform to request a free DUNS Number. It can take 1-2 business days before your DUNS Number is issued. When you are assigned your DUNS Number, return to SAM.gov and follow the steps outlined under the "[Your entity has a DUNS Number and is not registered in SAM.gov](#)" section of this guide.

Your entity does not have a DUNS Number and today's date is **after April 4, 2022**

After April 4, 2022, the federal government will have no requirement for the DUNS Number. You can get a Unique Entity ID (SAM) for your entity on SAM.gov. The Unique Entity ID (SAM) is provided to entities who request to only get a Unique Entity ID (SAM) and to entities who complete an entity registration.

Sign in to your SAM.gov account and the system will navigate you to your Workspace. On the "Entity Management" widget, select the "Get Started" button to begin requesting your Unique Entity ID (SAM).

The screenshot displays the SAM.gov Workspace interface. The main content area is titled "Workspace" and features a "Entity Management" widget. This widget is highlighted with a red dashed border and contains a "Get Started" button with a red arrow pointing to it. The widget also shows registration status (Active, Draft, Work in Progress, Submitted) and Unique Entity ID status (Active, Draft). The right sidebar shows "Profile", "Downloads", "Saved Searches", "Following", "Pending Requests", and "Notifications".
