Introduction:

RRSWO (Rah-e-Rahnaward Social Welfare Organization), is a Non-Governmental and Non-Profitable organization established in 2011 with registration no.(3482) with Ministry of Justice and later registered with Ministry of Economy in 2019 (4865) as historic opportunity to jump-start progress for women and girls in Afghanistan. RRSWO acts on the fundamental premise that women and girls have the right to live a life free of discrimination, violence and poverty, and that gender equality is central to achieving development with reach, sizable expertise and significant resources. For too long, women have been forced to stand on the sidelines, whether the issue is political leadership, safety in conflict zones, protection from violence or access to public services. Now women must come to the center as leaders, advocates and agents of change.
