

AWK

Request for Quotations (RFQ 3439)

Issuance Date: January 13, 2025

Closing Date: January 27, 2025

Jhpiego is seeking qualified vendors to obtain quotation(s) for procurement of internet connection contracts for the 28 ECHO sites in Kabul, Mazar-e-Sharif, Herat, Jalalabad, and Kandahar provinces, for more details see Annex B below.

Annex A: Items specifications and price

Annex B: Vendor registration form

Form A: Guidance on Applicant Eligibility and Selection Criteria.

Form B: Summary of the accomplished similar contract/s during the last three years

Applicant Eligibility:

- The potential vendors must be registered with the government of Afghanistan and have a valid "business registration license" from the Afghanistan Central Business Registry & Intellectual Property (ACBR-IP) department of Ministry of Commerce and Industries (MOCI), and a copy of Business License must be attached with its quotation.
- The potential vendors must attach Official Bank Account information with the same name as stated in the Vendor's business registration license and must confirm acceptance of payments through bank transfer.
- The potential vendors must accept tax withholding based on the Article 72 of the Afghanistan Income Tax Law.
- All costs should be stated in Local currency (AFN); quotations submitted in other currencies will automatically be disqualified.
- The Potential vendors must submit a copy of their Tax Identification Number (TIN) letter that must be in the name of the business

Selection Criteria:

- Past Experience: The ISP must have completed similar contract/s within the last three years. (A Copy of the Similar Contract must be provided)
- Installation Capacity: The ISP must confirm their ability to complete the installation of internet services at all 42 locations within a two-week timeframe.
- Service Specifications: The ISP must confirm that services will be provided in accordance with the specified requirements.
- Service Level Agreement: Service Level Agreement: The ISP must confirm a 99.8% up time in their Service Level Agreement.
- RTO (Recovery Time Objectives): within one hour for links IP and software issues and provide technical support within 24 hours for hardware issues.
- Network Operation Centers (NOC): The ISP must confirm the availability of NOC
- No Subcontracting: The ISP must agree not to subcontract any sites.
- Local Presence: The ISP must confirm their local presence in all provinces where internet service is required.
- Core Provider: The ISP must be the core provider of internet services and not merely a distributor.
- Backup Route: The ISP must have a backup route for internet services in all five provinces to ensure uninterrupted service.
- Direct Capacity: The ISP must confirm the availability of direct capacity for providing internet services and provide a primary route and backup route diagram.
- Network Monitoring: The ISP must agree to provide a network monitoring solution for all 42 sites.
- Required Equipment: The ISP must provide the following necessary equipment at all 28 ECHO sites, including routers, point-to-point antennas/ microwave antennas for 5 Jhpiego Sites / Point to point equipment for 9 Jhpiego sites, and any other equipment required for uninterrupted services.

Important Note: If the above-mentioned conditions are not met and the required documents are not submitted in accordance with Annex-A along with the quotation, the quotation will be disqualified and will not be further evaluated.

Source Selection Method:

LPTA: The selection process adheres to the Lowest Price Technically Acceptable (LPTA) methodology. This approach ensures that the selected vendor meets the minimum technical qualification requirements. The contract award recommendation will be based on the vendor's technical qualifications and the submission of the lowest price. A final determination will be made after the vendor's relevant experience and capacity to deliver are assessed.

The selected vendor will be awarded a fixed-price Technical Services Contract (TSC) with a duration of 6 to 9 months resulting from this solicitation to the Service Provider responsible whose quotation conforms to this solicitation and will be most advantageous to the project, price, and other factors considered.

Jhpiego anticipates that this RFQ will result in a single award to a single Vendor; however, Jhpiego reserves the right to issue multiple awards, if it is in the best interest of the project

Payment: Jhpiego will only make payment to the selected vendor's-maintained Bank Account after the delivery and acceptance of the required Goods/Services by Jhpiego.

Quotation Submission in Hard Copy:

Vendors are requested to submit their complete quotation to the Jhpiego office in hard copy by no later than January 27, 2025 (4:00 p.m. Kabul, Afghanistan local time). To Jhpiego office located in Wazir Akbar Khan Street 15 roundabout, next to the Grill restaurant, in front of AWCC office.

Note: Quotations received by email or any other means than as stated above, and after the RFQ deadline will not be considered and evaluated.

Pre-quotation meeting: A virtual meeting will be held on January 23, 2024, at 10:30 AM to discuss the procurement of IT-related materials and address any questions from potential vendors. Please join the meeting using the following link:

https://jhpiego.zoom.us/j/97741330888?pwd=oaIbZgLMj3vPYYPqWGH8gktM49UUXK.1 Meeting ID: 977 4133 0888 Passcode: 197239

Request for clarification: For any inquiries or questions, please contact us at af.procurement@jhpiego.org by 4:00 PM local time in Kabul, Afghanistan. Please note that we will not respond to any queries received after January 23, 2025.

Disclaimer: Issuance of this RFQ does not constitute an award commitment on the part of Jhpiego or any other organization/associated agency, nor is it a commitment to pay for any cost(s)/liability (ies)/loss (es) incurred in the preparation or submission of response. The organization reserves the right to reject, with or without assigning any reason, any or all response(s), if such action is considered to be in the best interest of the project/organization.

No employee is authorized to negotiate or promise work on behalf of Jhpiego. Selected vendors will have an official Purchase Order or contract with Jhpiego with authorized signatures.

Note:

- In line with the article 72 of the Afghanistan Income Tax Law, where Two percent 2% tax will be withheld if the contractor has/submits a business license. The withheld tax per the law will be remitted to the Tax Office in the name of the company and if the Vendor's License during the life of the contract expires and the vendor fails to renew in time Jhpiego will withhold 7% in taxes.
- Per the Federal Acquisition Regulation (FAR) 52.225-13, goods originating from restricted countries will not be accepted.

• Per the Federal Acquisition Regulation (FAR) 52.225-13, restricted goods will not be accepted.

Environmental and Social Safeguarding Commitment:

Child Laboring: The vendor represents and warrants that neither it nor any of its contractors engage in practices inconsistent with international children's rights. This includes ensuring that children are protected from performing any work that is likely to be hazardous, interfere with their education, or be harmful to their physical or mental health, or social development, in accordance with Jhpiego's Policy 105, Safeguarding.

Prevention of Sexual Exploitation and Abuse: The vendor is obliged to implement all necessary steps to prevent any form of sexual exploitation and abuse by its employees or any individuals under the vendor's control who are involved in executing services under this contract/PO, in accordance with Policy 1003 Anti-harassment.

Anti-Terrorism: The vendor represents and warrants that neither its employees nor individuals under its control for the execution of this contract are involved in any transactions with, or the provision of resources and support to, individuals or organizations associated with, receiving any type of training for, or engaged in, any act or offense described as terrorism, in accordance with Procurement Standards Policy 1001.

Environmental Safeguarding: Finally, the vendor represents and warrants that neither it nor any of its contractors or individuals working for them are violating any international environmental agreements, in accordance with Policy 102, Code of Conduct and Ethics.

Anti-fraud and corruption: the vendor represents and warrants that neither it nor any of its contractors or individuals working for them engage in any form of fraud or corruption. This includes ensuring that all business practices are conducted with integrity and transparency, and that no bribes, kickbacks, or other corrupt practices are involved in the execution of services under this contract/PO, in accordance with Jhpiego's Policy 107, Anti-Fraud and Corruption, and Policy 109, Foreign Corrupt Practices Act.

Consequences of Violation: Any violation of these commitments may result in immediate actions against the vendor, including but not limited to the termination of the contract. Yours Sincerely,

Jhpiego Afghanistan Urban Health Initiative Project Chief of Party

Stig Hansen
